

SNEZHANA CONWAY

Snezhana Homes Group

Help you with all your real estate needs in greater Washington DC area. Whether you're a Seller, Buyer or Investor, I offer market knowledge and professionalism.

My goal is to simplify the process of buying and selling real estate for my clients, as well as help them find some good investment opportunities. As a professional, I strive to consistently exceed all expectations through honesty, strong principles and dependability. I use my real estate knowledge and academic background to conduct business in the most intelligent and informed manner. I speak 6 languages and there is a chance I might speak in your native tongue!

PERSONAL BACKGROUND

As a successful multi-million government contracts analyst of various consulting and non-profit organizations, back in 2002 I decided to explore the Real Estate arena due to my personal passion for Real Estate. And I never looked back. Originally from Ukraine, I have a Master's degree from Kiev National Linguistic University (French and English languages) and a joint Master's degree from George Mason University and Oxford University (International Commerce and Policy). I gained important insider knowledge of the housing market while investing in real estate in DC area since 2002 and successfully share my experience with my clients. When it comes to your biggest asset, you will be in good hands with Snezhana Homes Group.

Washington Metropolitan area is a great area to live in! Let me help you put your mark on this magnificent city full of amazing opportunities.

I welcome you to follow me on Facebook. It is just one of the many successful tools I use to assist my clients. <http://www.facebook.com/snezhanahomes>

Thank you for calling me and I look forward to assisting you!

Client Testimonial's

I have known Snezhana for few years and i was always sure that once I am ready to buy my first home she ll be my realtor. She previously helped number of people who i know, so i did not think twice!

Personable, on time, super knowledgeable and experienced. She made me feel comfortable through the whole thing, everything went smooth and she did amazing job! I highly recommend her services! - 8/3/2022 - EvgeniaKlimova
